Das Büro „AKP Architekten Kauschke + Partner“ bietet vollständige Architekten-, Ingenieur- und Stadtplanungsleistungen vom Entwurf über die Genehmigungs- und Ausführungsplanung zur Ausschreibung, Vergabe, Bauleitung, Abrechnung und Schlüsselübergabe für Neubauten und Altbausanierungen in den Bereichen des Wohnungs-, Hotel-, Verwaltungs-, Schul-, Gesundheits-, Erholungs-, Sozial-, Sakral-, Gewerbe- und Industriebaus in Berlin, Deutschland und international. AKP überträgt das philosophische Konzept in eine funktionierende Form. Die Leitlinien bei der Wahl einer identitätsstiftenden Architektur sind Authentizität, Rationalität, Maßstäblichkeit, Nachhaltigkeit, Ökologie und Ökonomie.

The office „AKP Architekten Kauschke + Partner“ was founded 1991 in Berlin by the architect Hans-Gerhard Kauschke. AKP offers the complete scope of architectural, engineering, and master planning services from design to permit and working drawings with specifications, tender, controlling up to construction supervision and last but not least the inauguration of new buildings and restorations in the field of residential and office buildings, hotel facilities, educational, health-care, leisure, social, sacral, libraries, museums, commercial and industrial buildings in Berlin, Germany and international countries. AKP converts the philosophical idea into a functioning form. The guiding principles in creating identity are authenticity, rationality, scale, sustainability, ecology and economy.
